Revelation

God created man in His image, i.e. with certain qualities of God imbued in him, without sin for His glory & personal fellowship with God.

Man sinned by disobedience and broke the personal fellowship with God resulting in eternal condemnation, being spiritually lost.

God repeatedly sent His messengers to the lost, demanding repentance unto God but to no avail, and they remained in spiritual darkness.

By plan, God sent His Son, Jesus as the Messiah to redeem His chosen people from their sin by death on the cross on their behalf.

Christ established His church to carry the gospel, the only true redemptive message, to the ends of the world to prepare for the return of Christ.

Christ will return as Judge & King to receive His church into eternal bliss and to condemn others to eternal damnation to His honor & glory.

God carries out His plan of salvation of His people by announcing and fulfilling His covenants of works and grace throughout history.

God began human history and will bring it to its end just as He had said through the Bible! Are you prepared for the end?
